Subject: **TR-160189 – Port of Chehalis**
Completion of Grade Crossing Protective Fund (GCPF) Project
ENS & Yield Signs at 10 Crossings

On February 5, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$1,252.80 to the Port of Chehalis (Port) for a project involving installation of Emergency Notification System (ENS) and yield signs at 10 railroad crossings in Lewis County. The estimated total project cost was \$1,252.80. The actual cost of the project was \$1,019.17.

On April 4, 2016, the Port submitted a request for reimbursement. Rail Safety staff confirmed that the project was completed according to the specifications outlined in the order approving the grant.
