Subject: **TR-160273 – BNSF Railway Co.**
Completion of Grade Crossing Protective Fund (GCPF) Project
Walnut Street – USDOT 090168N

On April 18, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$14,502 to the BNSF Railway Co. (BNSF) for a project involving modification of active warning devices at the Walnut Street crossing in the city of Bingen, identified as USDOT 090168N. The estimated total project cost was \$26,259. The actual cost of the project was \$21,136.30. The actual cost of materials and engineering was \$8,644.27, which was less than the grant award amount.

On December 6, 2016, BNSF submitted a request for reimbursement. Rail Safety staff had inspected the crossing on November 30, 2016, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
