The State of Washington to Marcus Allen Perkins:

You are Commanded to appear before the Washington Utilities and Transportation Commission, 1300 S. Evergreen Park Drive, S.W., Olympia, Washington, 98504-7250 at the special proceeding referenced in the attached Order and Notice of Hearing at 1:30 p.m., on October 5, 2016, in Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington, and to remain there until discharged by the Commission, to give testimony and evidence under oath as to the operations of Emerald City Party Bus, LLC (Emerald City). Emerald City shall appear at the time and place set forth above unless the Secretary of the Commission, by notice of hearing, specifies a different time and place. This is ordered pursuant to the subpoena powers granted in RCW 34.05.446, RCW 80.01.060(1) and RCW 81.04.510.

You are further commanded to bring with you the following documents:

- A. For a company seeking to avoid further enforcement action by ceasing unpermitted operations and leaving the industry, you must bring sufficient documentation or records to demonstrate closure of your unpermitted charter party carrier or excursion service carrier business. For example, those papers might include documentation from (1) the Secretary of State's office for dissolution of your business entity; (2) the Department of Licensing for cancellation of your business license; (3) your internet service provider (or equivalent) showing cancellation of a website or e-mail account; (4) your telephone provider showing cancellation of your corporate telephone number; (5) proof of cancellation of your company

advertising; and (6) sales receipts for any company equipment sold in the process of shutting down and closing. For those companies who will continue with a business but close only that portion involving intrastate transportation of passengers for compensation, similar documentation (e.g., changed website, advertising, and quote request forms) will prove most helpful to the presiding officer.

- B. For a company seeking to obtain the required permit and come into compliance with all other regulated companies in the industry, you must bring a completed application for passenger transportation authority and all records necessary to support the application, per WAC Chapter 480-30, including (1) a complete application filing as required by WAC 480-30-096; and (2) proof of insurance as required by WAC 480-30-191.

In lieu of producing these documents at the proceeding, you may mail a copy of the subpoenaed documents together with your certification that the items produced are true and correct copies of the subpoenaed documents to:

Michael Turcott, Compliance Investigator
Transportation Safety
Washington Utilities and Transportation Commission
P.O. Box 47250
Olympia, Washington 98504-7250

If you choose to produce the subpoenaed documents by mailing them rather than producing them at the hearing, the subpoenaed documents must be received at the Commission before the date set out above for the hearing or you will not have complied with this subpoena.

DATED at Olympia, Washington, and effective August 24, 2016.
