RE: Docket UG-170846 - Tariff WN U-28 (Substitute Tariff Schedule 192)

Dear Mr. King:

Attached for electronic filing with the Commission is the following tariff sheet proposed to be effective October 1, 2017:

Substitute Fifth Revision Sheet 192 Canceling Substitute Fourth Revision Sheet 192

Per discussion with Commission Staff the Company is filing a substitute tariff sheet and workpapers to update the Low Income Rate Assistance Rate Adjustment (LIRAP) filing to reflect a more current true-up balance based on the most recent revenue and expense information available. In addition, this filing adjusts the amount of funding provided by Schedule 146 customers to 1 percent of base revenue as detailed in the Joint Petition approved by the Commission in Docket No. UG-140189

Please direct any questions regarding this filing to Joe Miller at (509) 495-4546, or me at (509) 495-8620.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick", is written over the word "Sincerely,". The signature is fluid and cursive, extending to the right with a long horizontal stroke.
