3 **PREFILED DIRECT TESTIMONY OF MARTIJN J. VERWOEST**

4 **Q. Please state your name and business address.**

5 A. My name is Martijn J. Verwoest. My business address is Noordweg Noord 150,
6 3704 JG Zeist, Netherlands.

7 **Q. By whom are you employed and in what capacity?**

8 A. I am a Senior Director in the Infrastructure team within
9 PGGM Vermogensbeheer B.V. I am responsible for Energy and Utilities
10 investments within the Infrastructure team.

11 **Q. What are your duties as the Senior Director for the PGGM Fund Manager?**

12 A. As Senior Director, my responsibilities include the sourcing and execution of new
13 investments, managing of existing investments, including fulfilling board roles,
14 and provide senior leadership to the organization and development of our
15 investment team and investment strategy. My responsibilities are predominantly
16 focused on energy and utilities investments, with a global scope. In addition, I am
17 a member of the Infrastructure Investment Committee.

18 **Q. Briefly describe your education and experience prior to your employment at**
19 **the PGGM Fund Manager.**

20 A. I joined PGGM in 2001 after graduating from Nyenrode Business University. In
21 the period up to 2007, I worked in the public equity department managing

traditional long-only stock portfolios, predominantly focusing on the U.S. and Japanese stock markets.

In 2007, I joined the infrastructure team. Being the third employee in the team, I have been central to the development of our investment strategy and the build-up of our in-house direct investing capabilities. Until 2016, I worked on investments across the broader infrastructure spectrum including regulated, utilities, midstream, conventional and renewable generation, toll roads and public-private partnerships. Since 2017, I have lead global energy and utility efforts.

I hold an M.Sc. degree in physics from the University of Amsterdam and an M.Sc. degree in financial management from Nyenrode Business University. In addition, I am a CFA charter holder.
