**Re: Dockets UE-180860 & UG-180861
PSE Advice Nos. 2018-42 & 2018-43**

Dear Mr. Johnson:

On October 17, 2018, Puget Sound Energy (“PSE”) filed with the Commission new electric and natural gas Schedule 171 services that provide optional non-communicating meter service to qualified residential customers, under Dockets UE-180860 (Advice No. 2018-42) and UG-180861 (Advice No. 2018-43).

No tariff change notice is required under the provisions of WAC 480-90-194 or -195, nor required by WAC 480-90-199, nonetheless PSE voluntarily carried out the notice provisions in WAC 480-90-194(2) (a),(b),(d). A copy of the published notice that appeared in area newspapers is attached.

Please contact Mei Cass at (425) 456-2945 for additional information about this notice publication or the posting. If you have any other questions please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
