RE: Notice of Possible Collection Action, Penalty Assessment D-191007

Dear Mr. Watts:

As you are aware, on February 14, 2020, the Washington Utilities and Transportation Commission issued a Penalty Assessment against J Watts & Son LLC in the amount of \$1,000 for violations of RCW 19.122.030(2), failing to request a dig ticket prior to excavating. The payment was due by February 29, 2020.

The Commission sent you a Final Notice dated April 8, 2020, indicating that the balance of \$1,000 was due. To date, the Commission has not received payment of the balance due.

This is to notify you that the Commission may forward your outstanding debt to a collection agency for collection. In that event, you likely would incur additional expenses and fees, including costs of collection, attorney's fees, and interest, which would be added to your outstanding \$1,000 balance.

If you have any questions about this letter or about your obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Sally Brown, WSBA No. 17094
