Re: UG-200278 Cascade Natural Gas Supplemental Updated Depreciation Rates

Dear Mr. Johnson:

Cascade Natural Gas Corporation (“Company”) submits the attached supplemental update to its Depreciation Study that was previously filed on March 26, 2020, in Docket No. UG-200278. This update is a result of the investigation of the Company’s depreciation rates as filed with the Public Utility Commission of Oregon on March 26, 2020, in Docket Number UM 2073. As all issues with the Company’s Study were resolved in the Oregon proceeding, the Company now submits the same depreciation rates in Washington for consistency throughout its service territory.

If you have any questions, please direct them to me at (509) 734-4593.

Sincerely,

/s/ Michael Parvinen
