RE: *In the Matter of the Penalty Assessment Against Badger Development Inc. in the Amount of \$1,000, Docket DG-200686*

TO ALL PARTIES:

On September 15, 2020, the Washington Utilities and Transportation Commission (Commission) assessed a \$1,000 penalty (Penalty Assessment) against Badger Development Inc. (Badger or Company) for one violation of Revised Code of Washington (RCW) 19.122. In the Penalty Assessment, the Commission offered the Company the option to suspend and ultimately waive the penalty subject to the condition the Company commit no further violations of RCW 19.122 within 12 months from the date of the Penalty Assessment.

On October 19, 2020, the Company notified the Commission that it accepted the conditions.

On November 19, 2021, Commission staff (Staff) filed a letter informing the Commission that the Company had not incurred any additional violations of the dig law since the Penalty Assessment. In its letter, Staff recommends the Commission waive the \$1,000 suspended penalty and close the docket.

The Commission agrees that Badger has complied with the conditions of the Penalty Assessment. The \$1,000 suspended penalty is thus waived, and this docket is closed.
