Re: Application for Permit to Operate as a Common Carrier by Dolly, Inc.  
Docket No. \_\_\_\_\_

*By Electronic Filing*

Dear Mr. Johnson:

On behalf of Dolly, Inc., enclosed for filing are:

Permit Application for Common Carrier of Property, Excluding Household Goods (Application);

Petition for Exemption from Washington Administrative Code Sections 480-14-250(1), 480-14-250(1)(e) and 480-14-110 (Petition for Exemption);

Legal Memorandum Regarding Use of Independent Contractors by Common Carriers in Support of Application of Dolly, Inc., for Permit to Operate as a Common Carrier (Legal Memorandum); and

Declaration of Michael Howell in Support of Petition for Exemption from Commission Rules and in Support of Application of Dolly, Inc., for Permit to Operate as a Common Carrier (Howell Declaration).

A representative of Dolly, Inc. will pay the application fee.

From our earlier discussions with Commission Staff, we understand that there may be concerns about some aspects of Dolly's operations, particularly involving insurance coverage and the legality of Dolly's use of independent contractors. We are submitting the Legal Memorandum and the Howell Declaration in an effort to answer any factual or legal questions that Staff may have and, therefore, to expedite consideration of the Application and Petition.
