Re: Charge for Freon Units

Mr. Atwell:

This letter is response to your request concerning the rate for disposal of Freon Units. Columbia Basin, L.L.C., d.,b.,a., BDI Transfer, charges \$54.65 per Freon Unit without Freon removal certification accepted at our facility. If the Freon has been removed and the customer has a valid certificate showing that the Freon has been removed, then the charge is the same as any other appliance, \$10.00 per unit.

The \$54.65 rate has been in affect since 01/01/2014 at least.

Sincerely,

Steven R Wheatley
Administrative Controller
