RE: Commission Staff's Letter Confirming Compliance
DG-210688, Olympus Services LLC – Investigation #8381

Dear Ms. Maxwell,

Commission staff (staff) has reviewed the compliance order for Olympus Services LLC (Olympus or Company) dated October 11, 2021. Compliance with the order required the following:

- The Company is to pay a \$200 portion of the penalty \$1,000 penalty amount, suspend and ultimately waive the remaining \$800 portion of the penalty.
- The Company supervisors and applicable field staff attend NUCA Dig Safe online training and;
- The Company incurs no other dig law violations within 12 months.

On November 2, 2021, Olympus notified the Commission of its acceptance of the conditions and made a \$200 payment. On January 18, 2022, the Company submitted verification of completion of training. The Company has not incurred any additional violations of the dig law since the penalty assessment.

Staff believes Olympus has complied with the Commission's order, and further compliance under this order is no longer necessary. Staff recommends the Commission waive the suspended \$800 penalty amount and close the docket.

Sincerely,

Sean Mayo
Pipeline Safety Director
