**Re: Docket UG-210931
Puget Sound Energy's Amended Petition for Exemption from WAC 480-90-178(5)(a)**

Dear Ms. Maxwell:

Enclosed for filing in the above-referenced docket on behalf of Puget Sound Energy ("PSE") is PSE's Amended Petition for Exemption from WAC 480-90-178(5)(a).

PSE's original petition for exemption was filed on December 3, 2021, and it included Attachments A and B. The attachments originally submitted on December 3, 2021 have not changed with this amended petition, and PSE wishes to continue to rely on those attachments for support of its amended petition. Accordingly, PSE's amended petition does not include any attachments and instead references those attachments originally submitted on December 3, 2021.

These materials have been submitted for filing via the Commission's web portal. Thank you for your assistance.

Very truly yours,

Donna L. Barnett
