**Re: Amended Petition for an Order Authorizing Deferred Accounting Treatment for Puget Sound Energy's Increased Costs Associated with the Updated WUTC Regulatory Fee Approved in Senate Bill 5634 (2022)
Dockets UE-220407 and UG-220408**

Dear Ms. Maxwell:

Enclosed for filing please find the following documents submitted on behalf of Puget Sound Energy ("PSE"):

1. Amended Petition of Puget Sound Energy for an Order Authorizing Deferred Accounting Treatment for Puget Sound Energy's Increased Costs Associated with the Updated WUTC Regulatory Fee Approved in Senate Bill 5634 (2022); and
2. Certificate of Service.

PSE is submitting an amended petition as PSE has reached a settlement in its multiyear rate plan filed under Docket Nos. 220066 and 220067.¹ The revenue requirement included in the settlement did not incorporate the updated regulatory fee while the original petition filed in this docket assumed the regulatory fee would be updated in the general rate case dockets. Therefore, if the settlement is approved, PSE's GRC revenues will still not include the updated regulatory fee and this amended petition is reflective of this scenario by requesting continued deferral on general rate case related revenues until such time they can be updated with the new regulatory fee.

¹ Settlement Stipulation and Agreement on Revenue Requirement and All Other Issues Except Tacoma LNG and PSE's Green Direct Program filed August 26, 2022 ("the settlement").
