Dear Valued Customer;

Effective January 1, 2023 the “tipping” fee for municipal solid waste at the Whitman County transfer station will be \$119.00 per ton. On November 13, 2006, the Whitman County Board of Commissioners adopted a new schedule of fees, Resolution #066100. As part of this schedule, an inflation factor of two percent (2%) per year was used (rounded to the nearest dollar) to be applied every other year as an increase. This notice provides approximately 90 days notice, so that you may take appropriate action with respect to your own operation.

Thank you for your valued service to the residents of Whitman County.

Sincerely,

David Nails  
Solid Waste & Recycling Director

Sincerely,

W. Mark Storey  
Whitman County P.W. Director
