**Re: Revised Petition for an Order Authorizing Deferred Accounting Treatment of Puget Sound Energy's PPA Costs and Return pursuant to RCW 80.24.410  
Docket UE-230810**

Dear Executive Director Killip:

Enclosed for filing please find the Revised Petition of Puget Sound Energy for an Order Authorizing Deferred Accounting Treatment of PPA Costs and Return pursuant to RCW 80.24.410 along with the Certificate of Service. The petition has been revised for the following items;

1. Removal of what was formerly section VI in the original petition which requested the Company be allowed to file a Notice of Intent to Defer (versus a full petition for each resource) for future executed CETA compliant resources that are not included in rates;
2. To begin the deferral in September 2023 instead of July 2023 as originally requested; and
3. To also defer the benefit of PPAs in the deferral balance.

If you have any questions, please contact me at (425) 456-2105.

Sincerely,

*/s/ Susan E. Free*
