BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
LESS THAN STATUTORY NOTICE REQUESTED BY:

*** Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**

~~Tariff #9, Customer Notification and 45-day filing for Commodity Price Adjustment (CPA) Filing~~

*** Present provisions are:**

45 day notice to customers for all tariff changes.

*** Proposed changes are:**

The company is requesting Less than Statutory Notice (LSN) to waive the 45-day customer notice requirement set in RCW 81.28.050. The company will notify its customers of the commodity adjustment on the first bill reflecting the increase in rates pursuant in WAC 480-70-271(2) (a). Due to this being a refiling and was originally submitted on November 15, 2023, the company is requesting this filing be accepted under LSN, per WAC 480-70-276. If this LSN is accepted for both the customer notification and filing will become effective January 1, 2024.

*** Explain why the company is proposing this tariff revision:**

Notifying customers on the first bill has been the historic practice and follows WAC 480-70-271(2)(a).

*** Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**

Requiring 45 notice to the customers will result in unnecessary costs to the rate payer due to additional postage and mailing. The historic practice is to notify customers of a tip fee increase on the first bill per WAC 480-70-271(2)(a).

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

ORDER

The Commission finds good cause to support the request and authorize the proposed changes to become effective with Less Than Statutory Notice on:

DATED and signed at Lacey, Washington, this 21 day of December, 2023 (Month/Year)

By direction of the Commission,

Kathy Hunter

Acting Executive Director and
Secretary
