Re: TR -100127, TR-100128 & TR-100129 (Consolidated)

Dear Scott:

I received your voice mail regarding the possibility of continuing this matter. This will confirm that the City of Lakewood is in agreement with the request to continue the proceedings currently pending before the Washington Utilities and Transportation Commission to await the completion of the proposed Environmental Assessment. It is my understanding that upon direct confirmation from all parties that this is acceptable you will contact the Judge and advise him that the parties are in agreement with a continue the hearings.

Sincerely,

Heidi Ann Wachter
City Attorney
