RE: Copy of FCC ETC Report (481 Data)
Docket No. UT-240014
Lewis River Telephone Company – SAC 522427

Dear Mr. Killip:

Eligible Telecommunications Carriers (“ETCs”) who receive federal high cost or low income support are required to file annual reports (“Annual ETC Reports”) pursuant to 47 C.F.R. § 54.313 and 54.422 with the Universal Service Administrative Company (“USAC”). The Annual ETC Reports are required to be filed on FCC Form 481, with attached materials.

In the past, the FCC has required carriers to provide a copy of their Form 481 with state commissions. While the FCC has eliminated that requirement beginning with this year’s filing, the Washington Utilities and Transportation Commission has requested to continue receiving a copy. In fulfillment of this requirement, Lewis River Telephone Company, (the “Company”) has enclosed a copy of its FCC Form 481.

Please contact Gail Long at 608-664-2923 or me at the number listed below if you have any questions regarding this filing.

Sincerely,

/s/
