OFFER OF PUBLIC COMMENT
EXHIBIT NO. PC-1

1. Public Counsel hereby offers this Public Comment Exhibit No. PC-1 for admission into the record of the proceeding.
2. Public Comment Exhibit No. PC-1. The exhibit consists of letters, e-mails, and other written materials submitted by the public to provide comment on the Puget Sound Energy (PSE) petition. These letters and materials were submitted to the Commission and to the office of Public Counsel. Because of the large number of comments, they are submitted in electronic form on the attached compact disc (CD).
3. A voluminous number of public comments were received by the Commission, many via e-mail and internet, for which there are no original hard copies to submit. Commission Consumer Protection and Communications Staff entered these comments into a database which includes all comments received by the Commission. Text of the comments was either directly input into the database or, in the case of comments received via U.S. mail, the document was scanned into .pdf formatted files and referenced in the database as attachments. The native formats of some e-mail messages (.msg format) and e-mail attachments (.doc or .docx formats) are also provided, and have also been converted into .pdf format. These are also referenced in
