Hello,

I would like to be able to get in contact with Lisa Gaskin regarding PSE LNG (Puget LNG) regarding changing provisions for the merger agreement when they were purchased by the Macquarie group in 2008. We understand the UTC hearing this Friday has been canceled. These hearings are not on the public calendar at the UTC and we repeatedly asked for that information. Please let us know how we can get access to hearing information and if there is public comment opportunity.

Thank you so much

Regards
