RE: 2011 Qualifying Storm Events

(Submitted via the Washington Utilities and Transportation Commission's Records Center Web Portal electronic-filing system and by regular U.S. mail)

Dear Mr. Danner:

Pursuant to paragraph 246 of Final Order No. 6, Docket Nos. UE-040641 and UG-040640¹, Puget Sound Energy, Inc. ("PSE" or "the Company") hereby provides notification that restoration costs for the first qualifying storm event for 2011 have been incurred. A wind storm on February 14, 2011, resulted in qualifying event costs to be accrued toward the \$8 million threshold for 2011.

PSE anticipates restoration costs for this storm event will qualify as outlined in the above referenced proceeding.
