RE: TR-040664 and TR-050967

Dear Judge Caillé:

In response to your email of today's date, please accept this letter as a formal request, on behalf of the Tri-City and Olympia Railroad, to extend the date for the Tri-City and Olympia Railroad to file its testimony and exhibits from yesterday's date, July 12, 2006, to July 19, 2006. As stated in my previous email, I have emailed all parties and no one has objected, although I have received no response from Kevin MacDougall, who represents the BNSF. I do not anticipate that this extension will impact the remainder of the current scheduling order.

Thank you for your courtesies in this matter. Please do not hesitate to contact me if you have any questions or concerns or require any additional information.

Very truly yours,

Brandon L. Johnson
