ERRATA CORRECTING COMPLIANCE LETTER

Re: *In the Matter of the Petition of Puget Sound Energy, Inc. and NW Energy Coalition For an Order Authorizing PSE to Implement Electric and Natural Gas Decoupling Mechanisms and to Record Accounting Entries Associated with the Mechanisms, Dockets UE-121697 and UG-121705 (Consolidated)*

Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc., Dockets UE-130137 and UG-130138 (Consolidated)

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) on December 12, 2013, entered Order 09 in Dockets UE-121697 and UG-121705 and Order 08 in Dockets UE-130137 and UG-130138 (Order 09/08). Order 09/08 granted in part and denied in part Petitions for Reconsideration of Order 07 in the same dockets from Kroger Co., NWIGU, and Nucor Steel Seattle, Inc.

On December 18, 2013, PSE filed electric and natural gas tariff sheets as specified in the Order.

On December 30, 2013, the Commission issued a compliance letter stating that the tariff sheets were in compliance with the terms of the Order. The Commission has subsequently become aware of two technical errors in the compliance letter. The Commission corrects the errors by this errata.

The attachment on pages 3 and 4 states an incorrect advice number for electric service and natural gas service. The correct advice number for electric service is Advice No. 2013-42, and the correct advice number for natural gas service is Advice No. 2013-43.

Further, two tariff sheets listed on page 4 of the attachment were inadvertently omitted and one was listed incorrectly as a “1st Revision” when, in fact, it is an “Original” tariff sheet. The compliance letter is here corrected to read as follows:

WN U-60, Tariff G, Electric Service (Advice No. 2013-42) Docket Nos. UE-121697 and UG-121705 (Consolidated):

<u>Original</u>	<u>Sheet No. 142-R</u>	<u>Revenue Decoupling Adjustment Mechanism (Continued)</u>
<u>Original</u>	<u>Sheet No. 142-S</u>	<u>Revenue Decoupling Adjustment Mechanism (Continued)</u>

WN U-2, Natural Gas Service (Advice No. 2013-43):

1st Revision <u>Original</u>	Sheet No. 1142-H	Revenue Decoupling Adjustment Mechanism (Continued)
