RE: *Petition of Puget Sound Energy for (i) Approval of a Special Contract for Liquefied Natural Gas Fuel Service with Totem Ocean Trailer Express, Inc. and (ii) a Declaratory Order Approving the Methodology for Allocating Costs between Regulated and Non-regulated Liquefied Natural Gas Services, Docket No. UG-151663 - Notice of the Formation of Puget LNG, LLC by Puget Energy, Inc.*

Dear Mr. King:

Commission Staff has reviewed the compliance filing of Puget Sound Energy dated November 30, 2016, which includes the formation of a wholly-owned subsidiary of Puget Energy named Puget LNG, LLC (Puget LNG). Puget LNG will be a special purpose limited liability company formed by Puget Energy solely for the purposes of owning, developing, and financing the Tacoma LNG Facility as a tenant-in-common with PSE. Staff believes that the filing complies fully with the Commission's Order 10, entered October 31, 2016.

Sincerely,

DAVID CARLOS GOMEZ
Assistant Power Supply Manager, Energy Regulation
