(June 23, 2000, at 1:00 p.m.)**

Re: In the Matter of the Continued Costing and Pricing of Unbundled
Network Elements and Transport and Termination
Docket No. UT-003013

TO PARTIES OF RECORD:

The First Supplemental Order in this case served March 16, 2000 (Prehearing Conference Order), established a two-part schedule and identified issues to be addressed in both Part A and Part B. The issues for consideration in Part B include UNE (Unbundled Network Element) platform, subloop unbundling, recurring UNE rates, high capacity loops, loop conditioning, inside wiring, dark fiber, shared transport, enhanced extended loops, and flat-rate reciprocal compensation.

The Prehearing Conference Order also established that parties file Part B direct testimony on July 14, 2000. The Commission schedules this prehearing conference to review the issues to be addressed in Part B prior to the direct testimony filing date, and to address other procedural matters that the parties or the Commission may raise.

Therefore, **NOTICE IS HEREBY GIVEN That a prehearing conference will be held at 1:00 p.m. on Friday, June 23, 2000, in the Commission's Hearing Room, Second Floor, Chandler Plaza Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**

The prehearing conference will be conducted during a recess in a workshop hearing in Docket Nos. UT-003022 and UT-003040. If you are unable to attend the prehearing conference in person, you may attend via the Commission's teleconference bridge line. **Due to the limited number of available ports, all ports must be reserved in advance – only one port per entity.** Ports may be reserved by calling the Commission's Administrative Law Division at (360) 664-1140 no later than Wednesday, June 21, 2000.

Sincerely,
