Reneé Coe, et al. v. Points Recycling and Refuse, LLC, and Whatcom County
Docket TG-082129 (consolidated)

Dear Mr. Danner:

To allow time to conduct additional discovery, the parties (Points Recycling and Refuse, LLC, Whatcom County, Renee Coe, Shelley Damewood, Shannon Tomsen, and Staff of the Utilities and Transportation Commission) request that the remainder of the procedural schedule in the matter referenced above be suspended.

The parties further request that a telephonic prehearing conference be set for late July for the purpose of setting dates for a new procedural schedule and, if agreed upon, rescheduling mediation.

Sincerely,
