Justin,

Here is the info Dan asked me to send you.

██████████ per load from Port Townsend Paper to NMF or OVTS **ONLY**.  
Loads delivered to any other location will need to be negotiated.

There will be a ██████████ increase each year added to Port Townsend  
Paper's original agreed upon per load hauling charge.

Example - Year 1 Per Load Charge = ██████████

The new price will become effective each year based on the date the original  
contract with Port Townsend Paper started.

Example - Year 1 Contract Price began - 06/15/2020

Year 2 Contract Price begins - 06/15/2021
