Dear Ms. Washburn:

I am enclosing Declaration of Vectren Communications Services, Inc. in response to the Order Requiring Disclosure of Information issued by the Washington State Utilities and Transportation Commission on October 23, 2003.

In reading the Affidavit you will note that although Vectren Communications is a licensed CLEC in the State of Washington, it has never provided telecommunications services within that state. Accordingly, I do not believe this company has any additional information to provide under the Commission's Order.

Please advise if you need anything further. Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink that reads "Steven E. Oschman".

Steven E. Oschman, President
