Re: Advice No. WA 17-09A for United Telephone Company of the Northwest

Dear Mr. King:

United Telephone of the Northwest d/b/a CenturyLink is forwarding for filing the sheets listed on Attachment A.

As described in the attached narrative (“Description of Methodology”), this filing is the sixth step in implementing the “Transitional Intrastate Access Service” reductions mandated by the Federal Communications Commission's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc. (FCC 11-161). Also enclosed is CenturyLink’s certification that the company is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the recovery mechanism established by the Transformation Order. The calculations supporting these rate changes are being filed as confidential.

CenturyLink respectfully requests that these proposed rate changes become effective on July 1, 2017.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton".
