AMENDATORY SECTION (Amending WSR 99-23-065, filed 11/15/99, effective 12/16/99)

WAC 480-140-040 What to file. Budgets, in a format selected by the reporting company, must show amounts needed for construction, operation and maintenance during the ensuing year. The reporting company must provide the information by industry (water, gas, and electrical(~~, and telecommunications~~)) to the extent such information has been prepared. All major construction projects must be identified in the budget. Major construction projects will be determined (~~as described below:~~

(~~1~~)) for water, gas, and electrical companies, (~~major projects include~~) as all projects where the Washington-allocated share of the total project is greater than five-tenths of one percent of the company's latest year-end Washington-allocated net utility plant in service, but does not include any project of less than three million dollars on a total project basis. This determination for companies providing combined industry services will be done on an industry-specific basis.

(~~(2) For telecommunications companies, major projects include all construction projects where the intrastate Washington jurisdictional share is greater than one million dollars.~~)
