QWEST DATA REQUEST NO. 30:

Please identify by name and township and range coordinates, sufficient to allow Qwest's engineers to estimate right of way distances to place cable, of the locations of all other persons associated with Ike Nelson or the Timm Ranch whom the Staff may ask the Commission to order Qwest to serve, in addition to Ike Nelson.

RESPONSE:

The names are listed in Verizon's Amended Petition. Staff believes Asa Timm may also request service at a home next to Ike Nelson's home. See testimony of Ken Duft. All the homes are located Township 30 N., Range 28 E.
