As Fire Chief I have some concerns regarding the closure of Logen Road as it will limit the routes used to response to the area of Old Pacific Highway. If the Logen Road is closed it could possibly affect response times to the Old Pacific Highway area and with increased response time's public safety could be put at risk. Logen Road is not a well traveled road so I believe Logen Road could easily remain open even with the siding put in place with an update to crossing arms. Please reconsider the closing of Logen Road as I believe public safety could be affected by longer response times and limited access to the Old Pacific Highway area.  Sincerely, Dale Fulfs Fire Chief  Additional comment from this customer, dated April 2, 2009:			Contact Me	thod○ Email ● Mail ○ None

		Olympia, WA 98504-7250 To Whom It May Concern: My name is Dale Fulfs and I'm the which is the Fire District that couproposed under Docket TR-0901 closure of Logen Road as it will I Pacific Highway. If the Logen Road Pacific Highway area and wat risk. Logen Road is not a well remain open even with the siding reconsider the closing of Logen I longer response times and limite Sincerely, Dale Fulfs	ne Fire Chief of Ners the area of L 21. As Fire Chies imit the routes wood is closed it co ith increased res traveled road so g put in place wi	North County Regional Fire Authority Logen Rd. / 292nd St NW road closure as f I have some concerns regarding the used to response to the area of Old ould possibly affect response times to the sponse time's public safety could be put of believe Logen Road could easily ith an update to crossing arms. Please public safety could be affected by

		ic Consultant at the recent public hearing regarding the Loger what Lynn Logen told me is that Gary Norris stated that this		
		d City Fire Department and the response time would be		
		nty Regional Fire Authority covers the Logen Road closures		
	area and the response times	s would be approximately six to eight minutes. Again in the		
	interest of public safety plea	ase keep the Logen Road open for emergency responses . If		
	you need any further clarifi	cations please let me know.		
	Thank you
