RE: PSE Petition for Approval of an Errata to Attachment A and B to the Amended Petition  
for Decoupling, Dockets UE-121697/UG-121705 and UE-130137/UG-130138

Dear Mr. King:

Public Counsel files this statement in response to the Commission's notice of April 2, 2015, in the above-captioned matters. Public Counsel does not oppose the PSE petition to correct the calculation of decoupling deferrals. The error is a reflection, however, of the complexity of the decoupling mechanism and underlines the need for close monitoring during the plan, and thorough review if PSE requests extension of decoupling in a future case. Public Counsel has scheduled a briefing with PSE regarding the errata and may have additional comments if the petition is set for an Open Meeting.

Sincerely,

Simon J. Fitch  
Senior Assistant Attorney General  
Public Counsel
