- 1 Administrative Law Judge Gregory J. Kopta entered Order 08, Initial Order Granting Petition For Extension of Revenue Sharing Programs and Recycling Commodity Pricing Adjustments, in this docket on July 14, 2011.
- 2 On July 14, 2011, Waste Management of Washington, Inc. and Commission Staff filed a joint letter with the Commission waiving their right to seek administrative review of Order 08 and requesting the Commission allow the order to become final by operation of law immediately. The Commission will not seek review of the order on its own motion.
- 3 Therefore, under RCW 80.01.060(3), the order became final on July 14, 2011, by operation of law.
- 4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
