**Re: Docket U – 210595 Petition for Approval of a Participatory Funding Agreement pursuant to RCW 80.28.430 – Notice of Errata**

Dear Director Killip,

Puget Sound Energy (“PSE”) has identified minor transposition errors in PSE’s responses that were compiled with other Investor-Owned Utilities’ responses into a questionnaire and filed by The Energy Project on 02/18/2025 as 210595-Exh-A-2-18-25.pdf. This letter provides notice of the corrections required to the document that was filed.

In PSE’s response under section 2c, PSE indicated for 2023, total dollars requested were \$284,650. The amount of \$130,000 was requested out of the Customer Representation Sub-Fund. The amount of \$154,650 was requested out of the Prioritized Organizations Sub-Fund.

PSE’s response with correct requested dollars should have been as follows, for 2023, total dollars requested were \$115,350. The amount of \$70,000 was requested out of the Customer Representation Sub-Fund. The amount of \$45,350 was requested out of the Prioritized Organizations Sub-Fund.

Please contact me at (425) 462-2105 should you have any questions.

Regards,
