**NOTICE OF TIME TO FILE ANSWER TO  
QWEST'S MOTION TO STRIKE  
(February 19, 2002)**

RE: In the Matter of the Continued Costing and Pricing of Unbundled  
Network Elements and Transport and Termination  
Docket No. UT-003013

TO PARTIES OF RECORD:

On February 6, 2002, Qwest Corporation filed a motion to strike portions of the prefiled testimony of Don Price (filed on December 21, 2001) submitted on behalf of WorldCom. Qwest states that issues discussed in several portions of Mr. Price's testimony have been finally decided in Docket Nos. UT-003022 and UT-003040, Qwest's SGAT/271 proceeding. Additionally, Qwest states that WorldCom seeks to modify or determine terms and conditions of various service offerings. According to Qwest, these portions of testimony also constitute an improper expansion of the scope of the generic proceedings.

All parties are requested to file answers to Qwest's motion no later than Tuesday, February 19, 2002. Parties must make specific references to orders and the record in the SGAT/271 proceeding that are cited in their answers.

Parties may file their answer by fax, provided that a paper copy is delivered to the Commission's Record Center on the morning of the next business day. Please note that the opportunity to fax file must be expressly granted on all occasions.

Sincerely,

CAROLE J. WASHBURN  
Secretary
