**Re: Reimbursement Agreement
Docket UG-151663**

Dear Mr. Johnson:

Attached for filing is an executed Reimbursement Agreement (“Agreement”) between Puget Sound Energy (“PSE”) and Puget LNG (“PLNG”). The purpose of the Agreement is to create an affiliate transaction between PSE and Puget LNG that clarifies PLNG will reimburse PSE for its share of North American Energy Services Corporation (“NAES”) expenses.

PSE and Puget LNG own, as tenants in common, the Tacoma LNG Facility, and the terms and conditions governing the ownership of their respective undivided ownership interests in the Tacoma LNG Facility and, among other things, the operation and maintenance of the Tacoma LNG Facility, are set forth in the Amended and Restated Joint Ownership Agreement, dated as of November 3, 2020 (the “Joint Ownership Agreement”).

Pursuant to Section 5.1(c) of the Joint Ownership Agreement, PSE has delegated certain of its responsibilities as operator of the Tacoma LNG Facility to NAES Corporation (the “O&M Provider”) pursuant to the Operations and Maintenance Contract, dated as of January 27, 2020, between PSE and the O&M Provider (the “O&M Contract”).

PSE anticipates commercial operation of the Tacoma LNG Facility to begin on or around May 1st, 2021.
