**NOTICE EXTENDING TIME FOR COVAD TO FILE PART D  
SPECIAL AND SUPPLEMENTAL RESPONSE TESTIMONY  
(Friday, February 15, 2002)**

RE: In the Matter of the Continued Costing and Pricing of Unbundled  
Network Elements and Transport and Termination  
Docket No. UT-003013

TO PARTIES OF RECORD:

The 29<sup>th</sup> Supplemental Order served January 22, 2002, established a revised Part D schedule. The revised Part D schedule requires that Covad file Special Response Testimony and that parties file Supplemental Response Testimony on February 14, 2002.

Covad states that its work product will be complete but it will be unable to file and serve paper copies prior to the deadline due to workload demands. Covad requests that it be allowed to file and serve electronic copies, to be followed by filing and service of paper copies on the next business day.

The date for Covad to file Special and Supplemental Response Testimony is extended one day, from February 14, 2002, to February 15, 2002. Covad is not required to separately file an electronic copy. However, Covad must serve an electronic copy to all other parties on February 14, 2002 (the original due date), to be followed by service of a paper copy on February 15, 2002. Parties are encouraged to exchange electronic versions of pleadings and documents with each other as a matter of general principle. Parties also may consent to receive service by electronic mail pursuant to WAC 480-09-120(2)(d).

Sincerely,

CAROLE J. WASHBURN
