RE: WUTC v. Verizon
Docket No: UT-040788

Dear Ms. Washburn:

The Public Counsel/AARP Answer to the Amended Verizon Petition for Bifurcation and Waiver, filed June 2, 2004, contains an error. The Answer asserts a failure by Verizon to file a request for waiver of WAC 480-07-510(4)(c). The Commission and parties are requested to treat this assertion in the Answer as withdrawn. Verizon remedied this omission by an errata filing of a revised Amended Petition on May 24, 2004.

Sincerely,

Simon J. ffitch
Assistant Attorney General
Public Counsel
