**Re: Docket No. UT-043045  
IN THE MATTER OF THE PETITION OF COVAD  
COMMUNICATIONS COMPANY FOR ARBITRATION TO  
RESOLVE ISSUES RELATING TO AN INTERCONNECTION  
AGREEMENT WITH QWEST CORPORATION**

Dear Judge Rendahl:

Covad Communications Company respectfully requests that the attached document entitled Network Disclosure Announcement No. ABC be admitted into the record in the above docket. Per the attached Exhibit A, an e-mail correspondence from Qwest counsel Winslow Waxter to Covad Counsel Karen Frame, Qwest has no objection to the document being admitted into the record, with the request that it be admitted with the following proffer:

“This document is the view that Karen Stewart saw prior to the hearing. It is also the document that will be sent to all CLECs when a copper loop is retired, therefore, the CLEC is not responsible for maneuvering through the Qwest website to find out what loop is being retired. Rather, in an e-mail they will receive the notification in this form. This says "sample ", but it is what will actually appear in the e-mail when a notification is sent.”

Please let me know if you need further information.

Very truly yours,

Karen S. Frame  
Senior Counsel  
Covad Communications Company

Thoughts? Andy? I am out from tomorrow through Friday of next week (in D.C. for work Tues-Thurs). Lynn can write a letter or draft a motion to have this admitted into the record. I think it should be. Lynn – go for it!

Karen -

Attached is the pdf document which is responsive to record request # 3. This document is the view that Karen Stewart saw prior to the hearing. It is also the document that will be sent to all CLECs when a copper loop is retired, therefore, the CLEC is not responsible for maneuvering through the Qwest website to find out what loop is being retired. Rather, in an e-mail they will receive the notification in this form. This says "sample", but it is what will actually appear in the e-mail when a notification is sent.

I am told that the process is to just give you this information and that the ALJ does not need to see it unless you request to have it admitted into the record. If you would like to have it admitted, Qwest has no objection, although I request that it be admitted with the proffer contained in the paragraph above. Obviously you have not had the opportunity to cross-examine Karen Stewart on the document, but I guess that's how it works with record requests in WA.

Let me know if we need to discuss this further. Thanks.
