1 On January 12, 2007, the Washington Utilities and Transportation Commission (Commission) entered Order 03 in this proceeding, resolving the parties’ motions for summary determination. While the Commission resolved the majority of the issues as a matter of law, the Commission reserved certain issues for hearing after finding that there were material issues of fact, or that the facts were not sufficient to grant summary determination. See Order 03, ¶¶ 64, 72.

2 The Commission schedules this prehearing conference to discuss how best to proceed in this matter, to establish a procedural schedule to address the remaining issues, and to identify any other matters that may aid in the disposition of this proceeding.

3 **THE COMMISSION GIVES NOTICE That a prehearing conference in this matter will be held on Thursday, March 1, 2007, beginning at 10:30 a.m. in Room 108, Chandler Plaza Building, 1300 S. Evergreen Park Drive S. W., Olympia, Washington.** If you are unable to attend the prehearing conference in person, you may attend via the Commission’s teleconference bridge line, **360-664-3846**. Please appear on the teleconference bridge five minutes before the conference is scheduled to begin.

Sincerely,

ANN E. RENDAHL
