Subject: Regarding UE-160918 and UG-160919
Date: Wednesday, January 17, 2018 1:27:27 PM

Dear Commissioners,

i support renewable energy. i DO NOT support building or retrofiting ANY kind of power plant that uses fossil fuels—even natural gas. the burning of natural gas supports the whole fracking industry and I DO NOT SUPPORT FRACKING!

please do not invest in any non-renewable energy sources.

thank you

Sincerely,

robert scott durkee
