Amy,  
There are no changes to our agreement and service. I will notify Transport&Logistics dispatch to contact you to schedule service.

Eric

We will be restarting the paper mill in mid-August and will have OCC Rejects ready to transport. Will you still be able to provide this service? Our intent right now is to run from August 19 to the end of the month and then we will likely take a few weeks downtime to complete our rebuild project.

Thanks.
