RE: 2014 Qualifying Storm Events

Dear Mr. King:

Pursuant to paragraph 246 of Final Order No. 6, Docket Nos. UE-040641 and UG-040640 et al.,¹ Puget Sound Energy, Inc. ("PSE") hereby provides notification, for the purpose of the Catastrophic Storm Loss Deferral Mechanism, that a qualifying event started on November 29, 2014. This is the sixth qualifying event for 2014.

The November 29, 2014 high wind event has resulted in additional restoration costs to be accrued toward the \$8 million deferral treatment threshold for the 2014 storm damage accounting. PSE anticipates that the restoration costs for this storm event will qualify as outlined in the above referenced proceeding.
