**Re: Docket No. UT-190005
CenturyLink's CAF II Deployment Update**

Dear Mr. Johnson:

The attached letter serves as notice that, based on preliminary data, CenturyLink may not have reached the year-end 2020 Connect America Fund Phase II (CAF II) location deployment milestone of 100% in Washington. CenturyLink continues to deploy broadband to CAF II locations in Washington and remains committed to meeting its CAF II obligations.

Please do not hesitate to contact me at (206) 733-8645 or via email at david.namura@lumen.com should you have any questions regarding this filing.

Sincerely,

A handwritten signature in black ink, appearing to read 'D Namura', is written over a horizontal line.
