to the office of Public Counsel. Because of the large number of comments, they are submitted in electronic form on the attached disk.

3. A voluminous number of public comments were received by the Commission, many via e-mail and internet, for which there are no original hard copies to submit. Commission Consumer Protection and Communications Staff entered these comments into a database, which includes record of all comments received by the Commission. Text of the comments was either directly input into the database, or in the case of comments received via mail, the document was scanned into a .pdf formatted file. The output from this database has been included in .pdf format on the enclosed CD, and this one (1) file, along with the one (1) file with scanned comments, provide all comments submitted to the Commission. The CD also contains 1 (one) file in .pdf format with comments received by Public Counsel.

4. The submitted material has been counted as follows:

a. Comments received by WUTC

Opposing the rate increase	109
Supporting the rate increase	0
Undecided comments	7

b. Comments received by Public Counsel

Opposing the rate increase	3
Supporting the rate increase	0
Undecided Comments	0

5. Public Counsel submits a total of one hundred nineteen (119) public comments in the exhibit. Of these, one hundred twelve (112) opposed the requested rate increase, seven (7) were undecided, and zero (0) support the request.

6.

DATED this 23rd day of December, 2014.
