**AFFIDAVIT OF DAVID G. TUCEK**

I, David G. Tucek, declare as follows:

I am currently Senior Vice President of Network Engineering Consultants, Inc. and a witness for Verizon NW in Docket No. UT-023003. On Thursday, June 3, I was asked by counsel for Staff whether I would accept, subject to check, that Verizon NW filed a "statewide average two wire loop rate of around \$17" when it filed its ICM 4.1 model in Docket No. UT-003013. I have reviewed the record of Verizon NW's filed loop costs for that proceeding and this record indicates that the 2-Wire Loop cost that Verizon filed in compliance with the Commission's order in that Docket was \$18.46, which was adjusted to the Commission-ordered 2-Wire Loop rate of \$23.94. This \$18.46 cost did not include any allowance for common costs and is consequently not directly comparable to the 2-wire loop rate proposed by Verizon NW in the current proceeding.

I declare under penalty of perjury that the foregoing is true and correct.

Executed June 10, 2004, in Maryland Heights, Missouri
