RE: *Washington Utilities and Transportation Commission v. Avista Corporation d/b/a Avista Utilities*
In the Matter of the Electric Service Reliability Reporting Plan of Avista Corporation d/b/a Avista Utilities
Dockets UE-220053, UG-220054, and UE-210854 (*Consolidated*)

TO ALL PARTIES:

On December 12, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 10/04, Rejecting Tariff Sheets; Granting Petition; Approving and Adopting Full multiparty Settlement Stipulation Subject to Conditions; Authorizing and Requiring Compliance Filing (Order 10/04). Order 10/04, among other things, required Avista Corporation d/b/a Avista Utilities (Avista) to file revised tariff sheets necessary to implement the requirements of Order 10/04 no later than December 14, 2022.

On December 14, 2022, Avista filed its revised tariff sheets for electric Tariff WN U-28 and natural gas Tariff WN U-29. On December 16, 2022, the Company supplemented the filing to make minor corrections.

On December 19, 2022, Commission staff (Staff) filed a letter in these consolidated dockets informing the Commission that Staff had reviewed the compliance filing and believes that it complies with the terms of Order 10/04. In its letter, Staff recommends the Commission approve the filing and allow the revised tariff sheets to go into effect.

The Commission has reviewed the tariff sheets filed on December 14 and supplemented on December 16, 2022, and find that they comply with the requirements of Order 10/04. The revised tariff sheets will become effective December 21, 2022.
