ORDER EXTENDING FILING
PERIOD

BACKGROUND

1 The Commission has received a request from fourteen companies subject to our
August 2, 2002, order in this matter for an extension of time for preparation of filings
required in this docket. We also have received informal communication from other
companies that it will be difficult for them to meet the August 23, 2002 deadline. We
consider the requests for additional time to be reasonable and not inconsistent with
the public interest.

ORDER

2 Based upon the foregoing, the Commission Orders as follows:

3 The Commission extends the time for filing the material in this docket from August
23, 2002 to September 6, 2002. In addition to the other material requires to be filed,

each rural incumbent local exchange company must file electronic maps on September 6, 2002, or, in the alternative on September 6, 2002, file a request for an extension of time to a reasonable date certain to comply with the requirement to file electronic maps.

Dated in Olympia, Washington, and effective this 20th day of August, 2002.
